Educational Visits and Community Based Learning

We offer our pupils a broad and balanced curriculum that addresses the barriers to learning caused by their autism and prepares them for the opportunities and experiences of adult life. All pupils are entitled to a curriculum that develops their knowledge, understanding, skills and attitudes regardless of social background, race, gender or ability. We are committed to providing high levels of community-based learning that will increase the range of opportunities and life experiences available to all the young people we support and ultimately help facilitate their social inclusion.

and community participation. To enrich the curriculum for our pupils, we offer a range of educational visits and other activities that add to what they learn in school.

All visits have clear, relevant and achievable aims and are directly related to individual's learning objectives.

The school has a central online folder of risk assessments for all generic activities and commonly visited sites.

The principal must approve all school led adventure activities.

The purpose of this policy is to ensure that trips are planned in an organised and responsible fashion, and that the health, safety, and welfare of pupils and staff is maintained.

Roles and responsibilities

Responsibilities of NAS Academies Trust Directors

- To approve the NASAT Schools Educational Visit and Community Based Learning policy and provide a guidance document to all NASAT schools
- To ensure the policy is consistently implemented across all NASAT schools
- Ensure the policy is regularly reviewed and conforms to relevant law and guidance
- To ratify the NASAT schools adapted policy

Responsibilities of local governors

- To ensure the school policy adheres to and reflects the corresponding NASAT policy
- To ensure that the school policy is regularly reviewed and conforms to relevant law and guidance
- Oversee the implementation of the policy with reference to the health and safety of children and staff and the NASAT safeguarding policy
- Keep themselves informed through regular meetings with staff and visits to the school
- To make recommendations to the Directors about any amendments
- To annually review educational visits and community-based learning in order to ensure they achieve high quality outcomes for pupils.
- To ensure any incidents occurring during off-site activities that compromise safety and/or well-being is investigated, and necessary actions taken.

Responsibilities of the principal

- To implement the policy within the school, ensuring all educational visits and community-based learning is planned to enhance pupil learning and to ensure the safety of all participants.
- To regularly review the policy, involving all staff who accompany children on off- site education.
- To ensure effective joint working with partner schools and agencies, including
- ensuring that their relevant policies are taken into account
- To make recommendations to Governors for any amendments
- To ensure all staff and volunteers have the appropriate training to enable them to understand and implement this policy and its procedures.
- To monitor and ensure that all pupils participate in regular and safe community-based learning activities
- To investigate all incidents that occur during offsite activities and compromise safety and/or wellbeing, reporting back to Governors.

Responsibilities of the visit leader

- To identify the purpose of the visit and following the checklist published in the Appendices of this document.
- A risk assessment is necessary for all off-site visits. Significant risks and their control measures will need to be recorded and filed with the Principal.
- To ensure the safe transition of pupils to activities and the whereabouts of pupils during and activity.
- All pupils are signed off and on site

Responsibilities of staff

- To follow the policy and procedures at all times
- To inform the Principal of any amendments to the policy that may be necessary
- To ensure the safety and wellbeing of all pupils when on community-based learning or educational visits.
- Teaching staff to identify aims and objectives of offsite activities and review resultant pupil learning, ensuring these were met.

Responsibilities of volunteers and students on placement

- To follow guidance given
- To request support and advice when necessary

Responsibilities of pupils

- To follow agreed rules and procedures when engaged in off-site activities.

Responsibilities of parents

- To work with the school in order to ensure that pupils understand the need for following the safety procedures for off-site visits.

Monitoring and evaluation

Teaching staff to review and assess the appropriateness and impact on learning of all off site activities

All incidents that compromise pupil safety and/or wellbeing during off-site activities to be investigated.

Criteria for Success

Tracking shows that educational visits and community-based learning have an impact on pupil progress.

No incidents where pupil or staff safety has been compromised due to an omission in the policy or procedures.

Educational visits and community based learning procedures

All visits have a clearly identified group leader who is responsible for ensuring the Educational Visit Form (see appendix 1) and all other necessary forms are completed. Initially forms supplied by Reading Borough Council will be used.

The Visits Form must be signed by the Principal and includes the following information:

- The aims and objectives of the visit and its links to the pupil's learning.
- Planning for the visit
- All appropriate risk assessments (students, site, activity, visit)
- Relevant competencies of staff who are accompanying, including the named first aider.
- What safeguarding procedures are in place
- The ratio of staff to students
- First aid provision
- Arrangements for students requiring medication
- Departure and return time for the visit
- Information of all those attending the visit
- Contact details of the school mobile phone number used by group leader
- The contingency plan in the case of an emergency
- Transport arrangements
- Ratio of adults to children: will never be less than 1:2
- Telephone: fully charged school mobile telephones should be carried at all times.
- When travelling by minibus/coach/public transport/car a mobile telephone should be carried in each vehicle. Contact numbers will be left with the school.
- Parental Permission: Parents will sign an annual form giving permission for routine, short off-site visits. They will be informed of any other visits and asked to give signed permission for the child to attend.
- Parents will always be notified of any trips that are due to take place outside of the normal school hours. Should any parent not have received official notification
- from the school or should they have any queries regarding a trip, they should contact the School immediately.
- First Aid: at least one member of the party should have a first aid qualification. A first aid kit must always be carried by the Party Leader.
- Medication: each group leader will be responsible for any medicines required by children in their group e.g., inhalers, Epi-pen etc. The child's health care plan and Administration of Medication form will be taken.

Children with medical conditions (diabetes, epilepsy, heart conditions, severe allergies) require an individual risk assessment.

- Emergencies: all adult helpers will be given an information sheet about the visit and a meeting held before the visit takes place. Emergency procedures will be discussed, agreed and written down. Should an emergency arise these procedures will be followed. If a child needs to go to hospital an adult (member of the school staff) will accompany them. The school will be informed immediately, and they will inform the parents.
- Swimming – a qualified lifeguard must always be on duty. At no time will sea, lake or river swimming be allowed unless specific permission has been gained from Governors and parents.
- DBS: All accompanying adult helpers must have an enhanced disclosure check by the Disclosure and Barring Service. Parents may accompany visits without a DBS check but will not be left in the care of any child other than their own.
- Photography: in line with the school's policy only school equipment may be used for digital recording.
- It is the Party Leader's responsibility to carry out on the spot risk assessments and to act upon them if necessary (eg. request a coach driver to slow down if tailgating/driving dangerously etc.)

Register

- At intervals throughout the day (on and off coaches, in and out of buildings) a register will be taken.

Vehicles

- Staff who use the school's vehicles will have passed the necessary competency test.
- Coaches/minibuses must be fitted with seatbelts. An adult must always sit by the emergency door and main entrance/exit with the remaining interspersed throughout the vehicle.
- Where coaches/minibuses are used a first aid kit should be available in each vehicle.

- There should always be at least 2 adults in a minibus with the driver having no supervision requirement.
- Parents should be notified if children are to be transported in private vehicles.
- Any private vehicle used must have fully comprehensive insurance cover. If the vehicle belongs to a member of staff, the insurance policy must include the appropriate business clause. Form OHA 4 must be completed before a private vehicle can be used.
- During school hours the school telephone will always be manned, after school hours a telephone will always be manned for emergencies and the numbers given to the Party Leader. This will include the 24-hour emergency Off-sites Advisory telephone number.
- Any incident/accident or near incident/accident must be advised to the NAS Academies Trust within 24 hours, together with any action taken.

ALL TRIPS MUST BE REVIEWED AFTERWARDS TO HIGHLIGHT ANY UNIDENTIFIED RISKS.

Duty of care

When teachers or others are responsible for the care, custody and control of children or others, they must:

“take the same care that a reasonable, prudent and careful adult would take in the same circumstances”.

In implementing this principle and interpreting the meaning of “reasonable, prudent and careful”, common sense should be applied. In doing so those involved should:

- Try to think as a parent would in similar circumstances.

- Consider whether they would be able to justify what is proposed to professional colleagues whose judgement they respect and ultimately to a court of law.
- If there are any doubts you should not go ahead unless you have sufficient further advice to remove the doubt.

The duty of care applies to all who take responsibility for the children of others but the law is likely to expect a higher standard of care from professionals and those who hold qualifications, because of their training.

REQUEST FOR APPROVAL OF EDUCATIONAL VISIT

To: Principal

Visit:

This visit is (delete as appropriate);

In the local vicinity - walking

A day trip involving travelling less than 30 miles away

An extended day trip (over 30 miles) A Visit to London

A residential Visit

Other (give details)

This visit serves the following educational purpose; Full details are as follows;

Permission Granted

When approved this signed form should be given to the Principal who will supply you with all the necessary forms/procedures and policy for the visit to go ahead.
