

Sports Premium Funding and Impact Statement 2016-17

Funding Allocation

The government has provided Sports Premium funding for the academic year 2016-17 to provide additional and sustainable improvements to PE and sport for the benefit of all primary pupils and to encourage the development of healthy and active life styles. Allocations for the academic year 2016 to 2017 are calculated using the number of pupils in Years 1 to 6 as recorded in the January 2016 census.

Number of Eligible Pupils	Amount per pupil £	Total Allocation £
11	500	5,500
Sports Premium Allocation Received £		5,500

Our Aim

To use the funding effectively to increase provision and participation in quality sporting opportunities where individual strengths and talents are nurtured and promoted;

To develop staff skills and sustainability in teaching Primary PE through the use of teaching assistants in PE lessons.

Use of Funding

We have used this funding to support our Primary PE Curriculum through engagement with a specialist local PE provider to provide a clear and concise curriculum which is consistent and sustainable, engaging all pupils into regular weekly physical activities. Teaching assistants have been used to support teaching in these sessions which has increased staff skills and knowledge. Pupils have had weekly access to a wide variety of sporting opportunities which have been tailored to their specific needs and abilities and also which are designed to engage their interest and allow progression in PE skills.

Impact Statement

Pupils have gained confidence to try new skills and there has been a vast improvement in pupil participation and engagement with PE lessons.

Teaching assistants have developed their own knowledge and confidence to support sporting opportunities. They are able to use skills at playtimes and lunchtimes to increase sporting opportunities. They have encouraged the pupils to practise skills, develop a healthier lifestyle and improve gross and fine motor skills.

With the support of the PE providers, school staff organised a whole school sports day allowing the pupils to use their sporting skills in teams, developing social skills, self-esteem and the confidence to have a go.
